FOR IMMEDIATE RELEASE

Sovereign Pipe Technologies Announces Sponsorship at Plastics Pipe Institute Annual Meeting

Shawnee, OK - Sovereign Pipe Technologies, a leading high-density polyethylene pipe manufacturer in Shawnee, announced its hole sponsorship at the recent Plastics Pipe Institute Annual Meeting in Manalapan, Florida.

The event, which brings together top professionals and experts from the plastic piping sector, was attended by Sovereign Pipe Technologies' VP of Quality, Barb Donaldson, and CEO/General Manager, Ronnie Wear. As a prominent figure in the plastic piping sector, Donaldson actively participated in discussions at various boards and committees.

The first day of the conference was marked by Sovereign Pipe Technologies' sponsorship at one of the holes in the golf tournament, embodying the company's support for Plastics Pipe Institute's mission to advocate for the use of plastic piping systems as part of its sustainable solutions portfolio.

"Sovereign Pipe Technologies is proud to be a hole sponsor and attend the Plastics Pipe Institute Annual Meeting," said Wear. "This meeting is a testament to the collaborative efforts of professionals dedicated to the progression of plastic piping systems. We are honored to contribute to an event that aligns closely with our values and vision for the future."

The experts behind Sovereign Pipe Technologies, with their extensive 50 years of experience within the HDPE arena of executive leadership, have propelled the company to its position as a leading manufacturer of high-density polyethylene pipe. They offer a wide range of HDPE pipe, from 3/4" to 48" diameters, to cater to various project requirements. The company's product line includes energy services line pipe, water pipe, and sewer pipe.

Sovereign Pipe Technologies is committed to offering environmentally friendly HDPE pipe that can withstand various pressures, temperatures, and harsh environments above and below ground. They are leak-free, durable, low-maintenance, and manufactured to be reliable for many years to come, ensuring a long-lasting investment for their customers.
